

# Family Physicians: Get Your Flu Shot...

*Amy Bonifas, M.D., is one of the first family physicians at Park Nicollet-Brookdale Clinic in Brooklyn Center, MN, to pull up her sleeve and get her flu shot. The shot is being given by Kathy Schwalbe, L.P.N.*

## **Protect yourself, your family, and your patients!**

**The Minnesota Academy of Family Physicians (MAFP) is challenging all family medicine clinics to achieve a 100 percent vaccination rate among family physicians by November 15, 2009. Help your clinic get recognized by the MAFP for this important patient safety measure. Don't delay - get your seasonal influenza vaccination today!**
